

EXTERIOR LIGHTING

M180™ TRIPLE STACK SERIES

Surface Mount

Code 3's M180™ Triple Stack provides the functionality of a warning light, allowing vehicle's safe arrival to the scene, plus a worklight to create a safe, bright working environment at the scene. It utilizes three rows of lighting to produce a bright, off-angle, 180° spread, and offers flexibility with multiple mounting options. Features include 29 flash patterns for single color models, 69 flash patterns for multicolor models, steady burn, IP67 rated, and a 5 year warranty.

Models

PART NO.	TYPE	LED COLOR
M180L-X	Single	
M180LMC-XX	Dual	

Replace "X" with A = Amber, B = Blue, G = Green, R = Red, W = White

Features and Benefits

- 12-24 VDC, 1.7 Amps
- 29 Flash Patterns (Single) 69 Flash Patterns (Dual)
- The M180™ Triple Stack combines the functionality of a warning light and the utility of a scene light in one
- Produces a bright, off-angle 180 degree warning light that can be used as an alley light, intersection light, and takedown light
- Steady burn for scene light functionality
- Syncable with Code 3's Chase™, MR6, Mega Thin™, XTP and M180™ lights
